

Type Certificate

Germanischer Lloyd

GL Wind Certificate No. **TC-GL-014B-2005**

We hereby certify that the condition monitoring system

VIBROWEB XP Wind

designed and manufactured by **Prüftechnik Condition Monitoring GmbH**
Franz-Bayer-Str. 14
88213 Ravensburg, Germany

has been assessed by Germanischer Lloyd concerning the system design, prototype testing and the manufacturer's quality system.

The Type Certificate is based on the indicated documents as follows:

Report No. 72550-16, Rev. 2 Certification Report for the Condition Monitoring System dated 20th August 2007

Certificate Registration No. 12 100 16211 TMS TÜV Certificate of Approval acc. to DIN EN ISO 9001:2000 valid until April 2009

Normative references: Germanischer Lloyd "Guideline for the Certification of Condition Monitoring Systems for Wind Turbines", 2003 Edition

Changes of the system design or the manufacturer's quality system are to be approved by Germanischer Lloyd, otherwise the Type Certificate loses its validity.

This Type Certificate is valid until **26th August 2009**, if the validity of the certificate for the Quality Management system is maintained.
